

# Privacy Policy

---

## Protection of your personnel data

Easytape respects the privacy of all our users and uses your personal details confidential. We use your personal details to deliver orders fast and easy. For other purposes we use your details only with your permission. Easytape will not sell your personal details to third parties and only gives the details to third parties, who are involved in the process of your order.

---

## Easytape uses the collected details for the following purposes:

When you place an order, we only need your name, Email, delivery address and payment details to process your order. In the process of the order we keep you informed.

- With your permission we use your details to inform you about new developments of the website and inform you about special offers. If you do not wish to receive any further Emails send by us, you can send an Email to [info@easytape.com](mailto:info@easytape.com)
  - Details about the usage of our website and the feedback we get from our customers, helps us to further improve and develop our website.
  - If you respond to an offer or contest we will ask your name, address and Email. These details we use to carry out the price winner(s) and measure the response of our marketing projects.
- 

## Easytape does not sell your personal details.

Easytape does not sell your personal details to third parties. It only forwards your personal details to third parties who are involved in the processing of your order. Our employees and third parties are required to respect your personal details.

---

## Your personal details are safe with Easytape

We appreciate the trust that you put in our company, therefore, we use your personal details with care. If you still have questions about our Privacy Policy then you can send an Email:

[info@easytape.com](mailto:info@easytape.com).

Our customer services can help you further if you want to edit your personal details and they can also help you with other information if necessary.
